

Dear Faculty/Staff,

This year we have decided to do a Student-Design-a-Meal week again the week of April 24th-April 28th. Enclosed is a packet of information you can use to assist in this project. For those of you who are unfamiliar with it, each team designs a breakfast and a lunch to be served during that week. Each team may market their “meal day” and the day that the most school meals are purchased on is the winner of the project. Each meal must follow the described meal plan. No junk food or fast food is allowed. Meal plans may be turned into the kitchen or the foodservice dept. office.

The meals need to be designed by WEDNESDAY APRIL 1ST. Please be aware this is a short timeline so it would be appreciated if you could inform/remind the students when needed. If you have any questions, please contact me.

Sincerely,

Tony Geraci
Foodservice Director
